

Increasing Analytic Capacity of State and Local Law Enforcement Agencies: Moving Beyond Data Analysis to Create a Vision for Change

By U S Department of Justice

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Analysis has been a part of American policing for more than a century. Evolving from pin mapping to comparative data tables; from simple patterns analysis and batch processing on mainframe computers to user interface with real-time analysis; and eventually to more flexible and sophisticated analysis, such as the Geographic Information System (GIS), law enforcement has used a variety of analytics to respond to crime. After the terrorist attacks of September 11, 2001, the need for more robust intelligence capabilities and analytic capacity at the state and local law enforcement levels became more apparent than ever before. Today, the law enforcement analytic function can vary from agency to agency based on the needs of the organization. Whether accomplished by staff analysts who focus on departmental and organizational issues such as budget, policy, and systems, or by line analysts who focus on tactical and strategic analysis for various functions within an agency, effective integration of analysis has been shown to increase law enforcement efficiency and effectiveness in both urban and rural jurisdictions. However, while the benefits of a robust analytic...
