Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating through reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

THE ROTTWEILER

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Rottweiler, Ruth Rendell, The first murder victim had a bite mark on her neck. When the tabloids got hold of the story, they immediately called the deranged killer 'The Rottweiler', and the name stuck. The latest body was discovered very near Inez Ferry's antique shop in Marylebone. Someone spotted a shadowy figure running away past the station, but couldn't say for sure if it was a man or a woman. There were only two other clues. The murderer seemed to have a preference for strangling his victims and then removing something personal - like a cigarette lighter or a necklace. Trinkets very similar to those mysteriously appearing in Inez's shop. Since her actor husband died, too early into their marriage, Inez supplemented her modest income by taking in tenants above the shop. As her collection of antique trinkets grows, so does Inez's fear that she is harbouring a psychopathic murderer.
