Brand New Book ***** Print on Demand *****.The President makes appointments to positions within the federal government, either using the authorities granted to the President alone or with the advice and consent of the Senate. This report identifies all nominations that were submitted to the Senate for full-time positions in 40 organizations in the executive branch (27 independent agencies, 6 agencies in the Executive Office of the President [EOP], and 7 multilateral organizations) and 4 agencies in the legislative branch.
