

Britain's Bomb: What Next?

By Brian Wicker

SCM Press. Paperback. Book Condition: new. BRAND NEW, Britain's Bomb: What Next?, Brian Wicker, These timely and important essays about the renewal of Trident expose the deep divisions between those who think that nuclear weapons can be eliminated globally, those who do not and those still sitting on the fence.' BRUCE KENT, PEACE CAMPAIGNER Britain's Bomb: What Next? is a book for every Christian concerned about the actions of the current government in relation to the future defence of the country. The decision of whether or not to replace Trident, the nuclear weapon system created in the cold war era, has to be taken before the next general election. Currently the Labour government look likely to support replacing the nuclear capacity of the UK, despite the prime minister's own acknowledged religious beliefs, and the many formidable reasons against such a decision. These are not only political questions, but strategic and ethical questions too. There is no timetable in place from the current government to table the debate and campaigners and lobbyists fear the decision will be made "internally" and will be quietly passed through. A public debate around the issues needs to begin now. This book presents advice and opinion...
