Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BLOOD SAFARI

Grove Press / Atlantic Monthly Press. Paperback / softback. Book Condition: new. BRAND NEW, Blood Safari, Deon Meyer, K L Seegers, When the rich and famous visit South Africa, their first port of call is often Body Armor, the personal security company offering two types of protection: the big and intimidating muscle men called Gorillas or the lean and hungry former government body guards, referred to as Invisibles. Lemmer is a freelance Invisible. The tiny and beautiful Emma le Roux, a brand consultant from Cape Town, wants to hire him. He needs the money, so he listens to her story. Lemmer's First General Law is: Don't get involved. But he has never failed as a body guard and he's also grown a little too fond of Emma. He uncovers simmering racial and political tensions, greed, corruption, and a network of eco-terrorists. He follows the leads until he finds what he's after: The people who attacked Emma. Getting to them will be extremely dangerous, and exposing them could have international political implications. If he fails, both he and Emma will end up dead. But Lemmer is sick and tired of being invisible. He goes after them, against all odds. From the Hardcover edition.
