## Zora Neale Hurston and American Literary Culture

By M.Genevieve West

University Press of Florida. Hardback. Book Condition: new. BRAND NEW, Zora Neale Hurston and American Literary Culture, M.Genevieve West, Genevieve West examines the cultural history of Zora Neale Hurston's writing and the reception of her work, in an attempt to explain why Hurston died in obscure poverty only to be reclaimed as an important Harlem Renaissance writer decades after her death. Unlike other books on Hurston, this study focuses on how Hurston was marketed and reviewed during her career and how literary scholars reappraised her after her death. While her publisher's approach to marketing Hurston as an African American fiction writer and folklorist increased her popularity among the general reading public, her fellow Harlem Renaissance authors often excoriated her as an exploiter of African American culture and a propagator of black stereotypes. Eventually, the criticism outweighed the popularity, and her writing fell out of fashion. It was only after critics reconsidered her work in the 1960s and 1970s that she eventually regained her status as one of the best writers of her generation. No other book has focused on this aspect of Hurston's career, nor has any book so systematically used marketing materials and reviews to track Hurston's literary reputation....

### Reviews

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
