Brand New Book ***** Print on Demand *****.Excerpt from *The Devil in Robes, or the Sin of Priests: The Gory Hand of Catholicism Stayed, the Prayers of Protestants Heard* We beg to say that we have no apologies to make to the Catholic world for bringing out this volume, for if it is not an American duty to throttle and expose Romish cunning and Popish pollution of American institutions and American morals, then we are in the wrong for laying bare the slimy doings of Rome and her benighted cohorts; but if it is right, why should we bow down to Pope, bishop and priest and say, We have done it, but beg your pardon? Never; we want to say to the American and Protestant world that we have hewed to the line, and if Pope Leo and his Scarlet Horse don t like it, stop your infamous practices. We are Americans first, last and all the time, and no true American can be a patriot and bow down to an Italian Pontiff, and hold himself in readiness to do his bidding.
