

Community: Welfare, Crime and Society (Hardback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

(Dr. Alexa Rogahn)

COMMUNITY: WELFARE, CRIME AND SOCIETY (HARDBACK)

OPEN UNIVERSITY PRESS, United Kingdom, 2009. Hardback. Book Condition: New. 246 x 193 mm. Language: English . Brand New Book. This text provides an excellent basis for engaging students with the issues surrounding both the idea of community in relation to social policy and the complex processes of policy formation and implementation with a community dimension. Essentially it offers a practical critique based on a combination of a clear, intellectual engagement and well developed illustration. A particular strength is the inclusion of material which gets beyond the immediate context of the UK and draws on examples from colonial and post-colonial practice in the management of problem populations . The book will be of great value to both undergraduate students across the social sciences and to students undertaking professional programmes in social work, community work and related fields - Professor David Byrne, School of Applied Social Sciences, University of Durham, UK. The concept of community is among the most contested of social science ideas. At the heart of this book is an examination of the concept s unique ability to represent the notion of collective well-being and positive social relations and to denote a description or categorisation of social problems and problem populations . This paradox makes the idea of community particularly valuable for understanding the diverse and complex ways in which social welfare and crime control policies affect each other. The chapters are organised to make sense of community in a range of ways: as a theoretical, political and populist discourse; as a vehicle for policy interventions; as an instrument of social governance and social ordering; and as a basis of collective action. The book considers community within historical and contemporary contexts, in the UK and internationally. It highlights many of the key social science debates as well as a...
