

Gomery's Blinders and Canadian Federalism

By Ruth Hubbard, Gilles Paquet

University of Ottawa Press. Paperback. Book Condition: new. BRAND NEW, Gomery's Blinders and Canadian Federalism, Ruth Hubbard, Gilles Paquet, In 2004, Paul Martin asked Justice John Gomery to lead a public inquiry into potential misspending in the federal Sponsorship Program, a relatively small investment of taxpayers' money to try to convince Quebecers of the benefits of Canadian federalism in the aftermath of the 1995 referendum on Quebec separation. The Gomery inquiry chose to focus exclusively on the sordid details of the money laundering and paid no attention to the deeper causes and sources of the problem: the dysfunctions of an existing centralized governing apparatus that is tearing the fabric of the country apart and the collusion of centralizing groups defending the status quo.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
