Y., Detroit, Mich;; Albany, N. Y.; Cleveland, O.; Chicago, Ill Being in the daily receipt of numerous letters of inquiry, we give the following information, in brief, in anticipation of future interrogatories: Time or Commencement. - Students can commence at any time, as there are no vacations. Each pupil receives individual instruction. Two evils are thus avoided: no person will be drawn along by a class faster than he can comprehend fully the subject matter of what he is going over, neither will he be retarded by a class that can not progress as rapidly as himself. Terms, etc. - Tuition, payable in advance, by purchase of scholarship, \$10, for the full course. Stationery will cost from \$5 to \$10, according to quality of articles used. Board, with room, can readily be obtained in good private families, by application at the college rooms, at from \$2.50 to \$3.50 per week. Tho total expense, therefore, for ten weeks, which is rather more than the average time, need not exceed \$80. Full Course. - Persons having paid their tuition once, by purchase of scholarship, may attend either of the colleges as long as they please, having the privilege of completing the course at their option. They may, also, review the same as often as they may desire, and are entitled to all the privileges of tho mercantile course, in either institution, in future, free of additional charge. Under no circumstances, therefore, will the tuition fees, or any part thereof, be refunded. Preparatory Education. - A knowledge of the ordinary...
