SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Early Literacy Materials Selector (ELMS): A Tool for Review of Early Literacy Program Materials, Kathleen A. Roskos, Lisa A. Lenhart, Brandi L. Noll, Your all-in-one guide to selecting the very best early literacy materials! Learning to read and write is too important to be left to chance, so it's absolutely critical that the early literacy curriculum and literature you use in PreK and kindergarten environments reflect the very best research and instructional practices. But, with the proliferation of new products, what's the best way to start? What criteria should the curriculum meet? Which research-based best practices should be represented? Early Literacy Materials Selector (ELMS) is the first dedicated evaluation tool for early childhood literacy materials and provides all the answers. Step by step, this one-of-a-kind toolkit will help you: Recognize the characteristics of high-quality literacy materials Work in teams or individually to evaluate your resources Understand the importance of the research base Establish a baseline against which new literacy materials can be compared All in all, there's no better resource to ensure we put our youngest students on the right path to school readiness and success. Teachers, administrators, and curriculum directors will appreciate the clear guidance for conducting a systematic review of core program materials. A highly effective tool for examining the quality of early literacy materials, ELMS is the first of its kind, and will be a welcome resource. Susan B. Neuman, Professor University of Michigan A much needed resource for considering features of curriculum materials in a systematic way. I know of no other tool like it for early childhood materials. Judith A. Schickedanz Boston University.
