SCM PRESS, United Kingdom, 2010. Paperback. Book Condition: New. Study Guide. 234 x 170 mm. Language: English . Brand New Book. The SCM Studyguide: Practical Skills for Ministry offers a practical introduction for those who are training for ministry, both lay and ordained, within the church. The book answers the questions asked by those preparing for ministry and by those who have recently started and found gaps in the way they have been prepared. The author uses real examples drawn from his experience of over 20 years of pastoral ministry, together with work in chaplaincy and broadcasting and the shared experience of others. The book covers all those aspects of ministry required within the more practical contextual areas of the course of preparation for ministry in use by mainstream denominations, such as baptisms, weddings, working with others, communication, meetings and funerals. It provides practical guidance which is soundly theologically and pastorally based.
