Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you like The Man Show, you ll love this book! If you re a real American man s man, or think that men should be men and women should be women, or even if you think all that manly stuff is hilarious, good fun, you ll also love this book. Author Kole McCullough is your quintessential American manly man who decided that America has gone soft, and that American Dads needed a refresher on how to properly raise a boy these days. Kole takes the reader from birth up through the high school years (which for a manly man s boy might mean his late 30s!), and covers proper manful behavior during those years, including; school activities, playground time, sports, dating, driving, and bodily functions(!). There is even a quiz to test your manliness and several bonus Manly Notes sections. It is sometimes irreverent, often times crude, occasionally politically incorrect, and even a bit socially unacceptable, BUT it is always funny. So, kick back and enjoy a good manly laugh.
