Brand New Book ***** Print on Demand *****.Life changed forever when the doctor diagnosed my husband with Amyotrophic Lateral Sclerosis (ALS) or Lou Gehrig s disease. Extreme tragedy, dread, and grief surrounded us as the disease stalked him unmercifully. It finally defeated him with death after long months of torture. There were many challenges during our journey. We struggled to accept the inevitable, understand the disease and its consequences, and to find appropriate medical care and treatment. The mental, emotional, and heart-wrenching consequences of grief, despair, fear, helplessness, and then hopelessness were the greatest challenges of all. At the time of my husband s diagnosis, I had been a practicing R.N for forty-five years. I had cared for many people with serious or terminal illnesses, and suffering and death were not foreign to me. However, I knew little about ALS. I recalled from nursing school that it is a rather rare disease with no known cure. As I began the search for information, it became clear very quickly that this was no ordinary disease, but an exceedingly ruthless and deadly affliction. The care for someone with an illness such as this would be complicated. There was a great deal to learn, and I realized that I was not at all prepared. During my daily caregiving efforts, especially as the illness progressed, I had my nursing education, experience, and skills to assist me. I wondered how someone with no skills or medical background would ever be able to cope with the enormity of it all. I came to believe that if God showed me the way, lessons learned could equip me to help others who may take a similar journey. This is Bill s story, for...
