

The Little Book

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

THE LITTLE BOOK

Dutton Adult, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Selden Edwardss impressive debut novel is richly inventive, woven tightly with incident, and fully engaging. It is also superbly humane and readable Richard Ford Selden Edwardss The Little Book is a wonderful novel and I think it has a chance to become a famous one. Ive never read a novel like it. And I felt like my life was changing forever as I savored its many delights and mysteries. Pat Conroy The Little Book is named as one of two first-time novelists Im looking forward to becoming acquainted with, in a list by Geraldine Brooks , Pulitzer Prize-winning author of March and the recent People of the Book in the Wall Street Journal Weekend A major BEA galley to grab& This novel ends up a sweet, wistful elegy to the fantastic promise and failed hopes of the 20th century. Publishers Weekly "A work that feels effortless. Part mystery, part meditation on the marriage of past and present, part love letter to a bygone era, the novel moves fluidly through time and place, belying its three- decade creation." Playboy Magazine Not every summer volume is a throwaway beach book, quickly skimmed and quickly forgotten. Herewith, promising, (mostly) substantive reads& Written over 30 years, Selden Edwardss The Little Book (Dutton, August 14) dumps 70s rock star Wheeler Burden in late 19th-century Vienna, where he tangles with Freud, Mahler, and growing anti-Semitism. The Boston Phoenix If you like time travel, romance, and fin de siecle Vienna, this is your summer book. A San Francisco heir and philosopher suddenly finds himself in 1897 where he meets Sigmund Freud, Mark Twain, and his own father. From Marjorie Kehes summer book roundup in the Christian Science Monitor An ideal...
