Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In working out the details of The Holy War Bunyan seems to have kept in mind his own experience. The fortifications of the city, the movements of the opposing forces, the changes in the municipal offices of Mansoul were reproductions of scenes and events that had but recently gone on under Bunyan s eyes. He adapted them with extraordinary success to the presentation both of the doctrines of grace and of the temptations which attend the Christian life. The characters and the incidents are, in effect, the characters and incidents of every age. It is this which gives to the story of Mansoul its undying freshness, and suits it to the needs of men in all climes.
