Brand New Book ***** Print on Demand *****.Survival Guide Collection: Be Aware Of Danger Mastering Self Defence And Learning Wild Survival SkillsBook#1: Survival Learn 20 Essential Tips to Stay Alive In the Wild SurroundingThere could be that one time when you find yourself stuck or trapped in a wild surrounding and you might be freaked out to the extent that you wouldn t know what to do. This could be situations like getting lost while hiking or being involved in a plane crash at unknown destination. The truth is that in case of such a tragedy you will need more than just a smart mind to make it through safely. This book therefore outlines effective tips that are going to help you survive in any wild surrounding.Much of what the twenty tips cover include simple survival skills that anyone can easily master and be able to survive in these harsh environments. For safety you will obviously need a number of things most of which can t be easily accessed and may require you to improvise. Most of these are meant to cover your basic needs and are therefore important to put in mind.The book will take you through each tip a step at a time, explaining in detail all that is required of you in case of any tragic experience. It will give you an open mind on the best survival skills that will keep you alive no matter how impossible it seems. The most important thing you need to know is that while in the wild you will need to eat, drink water, get shelter and also keep yourself away from danger. These should be your priorities among everything else. I...
