HarperCollins Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. Join Loose Women s Sherrie Hewson on her rollercoaster ride through the laughter, tears and tantrums of an extraordinary life lived on and off the screen. Sherrie Hewson is one of Britain s best loved telly stars. From her dazzling performances in the Carry On films to Russ Abbott s Madhouse, to her favourite character Maureen Holdsworth in Coronation Street to the green hills of Emmerdale, Sherrie s warmth and good humour won her a place in the heart of the nation. And now an adored presenter on Loose Women, which she joined eight years ago, Sherrie has become a friend and confidante to the millions who tune in for her naughty sense of fun, openness and quick wit. It has taken her nine years to reach this point; but Sherrie is now ready to share her story - and it s one that at times seems more fitting to a soap opera than real life. From living in a brothel to being ditched at the altar, to living in fear of her stalker to nearly murdering her Corrie co-star (by accident, of course!), to the on- and off-screen lovers, friends and foe, to struggling to conceive her much-loved daughter, Sherrie - a natural storyteller - always manages to see the funny side and tells it like it is with warmth and a cheeky smile. Brimming with brilliantly funny anecdotes and larger-than-life characters, Sherrie s story will delight,...
