This textbook provides you with the tools and techniques to ensure your answers align with awarding organisation assessment criteria requirements. While the unit textbook Award in Education and Training: Understanding Roles, Responsibilities and Relationships in Education and Training provides the information needed to ensure you pass that unit of the qualification, this textbook seeks to ensure you fully understand how to apply that information effectively to your assessment(s). This will reduce the risk of you misunderstanding, over-answering or under-answering a question or task and provide you with a better understanding of what each element / assessment criteria of the unit requires. It also includes practical suggestions related to practice in the sector, what to focus on in your response, how to structure the response and further sources of information or guidance to consult or reference in order to support your answer. This textbook will provide you with the tools and, together with the above unit textbook, the information needed to pass each assessment first time. This textbook can also be used alongside the qualification textbook Achieving your Award in Education and Training: The Comprehensive Course Companion [tags: inclusive learning, lesson planning, learner-centred, tutor-centred, lesson plan, AET].
