

The Partnership Between the Nist and the Private Sector: Improving Cybersecurity

By Science And Tran Committee on Commerce

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The National Institute of Standards and Technology s (NIST) mission is to help American businesses solve tough technical problems. Whether it is emerging technologies like the Smart Grid or cloud computing or consumer products like flame-retardant mattresses or television screens, NIST s job is to help American industry help itself. With its unrivaled technical expertise and its well-deserved reputation for objectivity, NIST has been working closely with the private sector for many years to help U.S. companies innovate and to compete with their foreign competitors. President Obama issued an executive order in February instructing NIST to begin looking at how we can protect our critical assets from cyber attacks. Almost daily we learn of new cyber threats and attacks targeting our Government agencies and the companies that drive our economy. NIST s computer security work goes as far back as 1972 when it started working on the Data Encryption Standard. Making progress against our cyber adversaries is going to require a sustained, coordinated effort between the public and the private sectors, and it is going to require the...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
