*****. Evolution by God is a collection of essays and a must-read for all who are interested in learning the true meaning of God's real name and how it may forever alter their worldview.

Whenever an ancient relic is uncovered from the earth, the world celebrates its discovery. Evolution by God, by contrast, reveals what has been in plain sight for thousands of years, but persistently ignored by religious scholars. A sampling of the book's topics: 1. How the literal truth is used to suppress the real truth. 2. Why there is no inherent conflict between science and religion. 3. How a contemporary group successfully applies science to the practice of religion. 4. Why, despite the claims of Christopher Hitchens, religion does not poison everything. 5. Why Stephen Hawking, in his best-selling book, *The Grand Design*, does not disprove the existence of God. 6. Why it is self-defeating to define God as a designer; we now have a better choice. 7. How God can answer millions of prayers simultaneously. 8. How science and religion can...
