

Worcester

By Frank J Morrill, William O Hultgren, Eric J Salomonsson

Arcadia Publishing (SC), United States, 2005. Paperback. Book Condition: New. 229 x 163 mm. Language: English . Brand New Book. At the beginning of the 20th century, Worcester was one of the largest inland industrial cities in the world. The city boasted a diverse manufacturing base that drew immigrants from all over the globe. At this time, the postcard was a valuable and inexpensive way for friends and families to keep in touch with one another. The vintage postcards in Worcester show cherished recreation and leisure time in the city and highlight public places such as Elm Park. This book evokes memories of a simpler, slower-paced city.
