Brand New Book ***** Print on Demand *****.Coloring Can Help You Defuse The Bomb of Stress! Are you stressed out? Do you want a simple and creative way to help you relieve stress and relax? Imagine having a quick and effortless way to put your mind at ease from your day s problems. Picture yourself coloring away your stress. You probably already know this but more and more adults are turning to coloring books as a way to unwind and de-stress. Why? Because the act of coloring activates therapeutic qualities similar to those of meditation. Studies show coloring in designs and patterns can help lessen anxiety levels and encourage a state of deep engagement. This is why I created Color and Relax: Tranquil Treasures. To help you experience this state of deep engagement and relaxation. To help you turn on your chill-mode and color away your stress one relaxing coloring stroke at a time. Check out what others are saying about the Color and Relax coloring book series: Awesome book that definitely helps relieve stress. The patterns are unique and ridiculously calming...
