A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

The Best Is Yet To Be! is written with a sensitivity that can only come from going through the painful experience of losing a child. Deanna has captured in words what many families deal with during the grieving process. We have personally known Deanna for many years. We have watched how God has taken the tragic death of their son and transformed Deanna into a woman whose heart is full of love and compassion because of Jesus Christ. The Best Is Yet To Be! is a must read for anyone dealing with the loss of a loved one for there is only one way to fill the void left in one s heart. Jesus is the answer! -Dan and Penny Baur, Kharis Ministries This book is a must read for those who have gone through the trauma of losing a loved one. It will guide and bring spiritual health into your life. I recommend this book to those who have lost heart, for there is healing in Christ Jesus. Deanna is a true worshiper of our Lord. She walks in healing power and is able to convey this through her book. -Pastor Larry Gray, Hosanna International Ministries Deanna Nold and her husband, Paul, have been married since 1960. She completed high school and had her own hand-painted needlepoint line for 35 years. She became an ordained minister alongside her husband in 2004.
