Hyperink. Paperback. Book Condition: New. Paperback. 40 pages. Dimensions: 10.7in. x 3.9in. x 1.0in. ABOUT THE BOOK Laura Hillenbrands second full-length focuses on the life of Louis Zamperini, the Olympic miler who became a war hero. His story has the ring of an Errol Flynn adventure flick (although Basil Rathbone would have made a bad Mutsuhiro Watanabe), and ever since his return home people have been vying for the rights to his story. Zamperini has twice released his own version of the events, both under the title *The Devil at my Heels*. This work, along with the two original accounts, represents a precious resource in the field of history. It is important for these stories to be told; as our World War Two veterans are approaching old age, we need to record their stories and document their journeys just as Hillenbrand has done here. It is important to study the hard facts of war, but we also need to try and come to terms with the emotional and very personal thing that a war is for the people who experience it. In volunteering at the Windsor Historical Societys Veterans Memories Project, I have come to understand the historical value of the veterans experience. MEET THE AUTHOR Davidson received his BA from the University of Windsor and his MA from Carleton University. He teaches history at Eldercollege in Windsor, Ontario and has published a biography of Charles G. D. Roberts. You can follow his blog at www.hubpages.com/keithdavidson. From the time he was born, the little boy that they called toots was a handful. The family moved to Torrance, California...
