Damn you, Ray Beck, you re an auxiliary policeman. You can only do crowd control! Put the gun down! Sent down nine-year National Hockey League veteran and well-known fox hunter Wavy Ray Beck, and Monica Reedy, the only female detective on the city force, are an unusual and engaging pair of crime fighters. And all is fair in both love and war as they work together to stop an international crime wave bleeding into everyday Pennsylvania. While Ray searches for a path back to the Stanley Cup Play Offs, Detective Reedy s search for a downtown window smasher leads the two of them to discover an enterprising high-tech car-theft ring as well as an underground gambling ring, both being orchestrated by an old world crime family rooted in Brooklyn. The underhanded takeover of a local coal company, plus a disarming real estate gambit, also adds to this story of history, mystery, danger, and chaos. And, oh my, this naughty pair in love - Now that I ve found that spot, Reeds, I m going to look for another letter. The puck drops here. Enjoy!.
