Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

AYURVEDA FOR WOMEN: A GUIDE TO VITALITY AND HEALTH

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Ayurveda for Women: A Guide to Vitality and Health, Robert Svoboda, A time-tested system for achieving health and happiness while balancing the demands of the modern woman's lifestyle. - A perfect handbook for any woman for whom quality of life is a central issue. - By one of the leading advocates of Ayurveda in the United States and the author of "Ayurveda: Life, Health and Longevity."- Provides practical advice on exercise, sleep, diet, beauty care, meditation and massage, sex and relationships, childcare, and menopause. In today's fast-paced world, Ayurveda provides a way for women to live their lives more simply, more naturally, and more contentedly. Women's roles in creating and sustaining balanced, healthy lives for themselves and their families have never been more crucial, and this compelling book will help them fulfill their goals despite the numerous demands placed upon them. Unlike many Western programs for health that treat all individuals the same, the 5,000-year-old science of Ayurveda identifies different physiological and psychological makeups and explains the lifestyle, diet, and environment most conducive to well-being for each. Ayurveda, India's "science of life," is particularly ideal for healing and empowering the female body, mind, and spirit. "Ayurveda for Women" explores in detail the landmark changes associated with the three stages of life--childhood, adulthood, and old age--and provides practical advice on exercise, sleep, diet, beauty care, meditation and massage, sex and relationships, childcare, menopause, and other issues central to women's lives today. Simple to enact and profound in effect, Ayurveda could be the answer many women are seeking.
