Excerpt: . . . 11 environmental initiatives in this proposal will contribute to continued success of our investment in safety and capacity projects by providing for prompt and more effective environmental review of significant projects while continuing to exercise strong environmental stewardship. I know that environmental streamlining is a top priority for this committee and I look forward to working with you to meet our mutual goal. We also propose new initiatives to mitigate the impacts of aviation emissions and noise. For example, we propose to establish voluntary programs to reduce aviation emissions by converting airport infrastructure, airport vehicles, and airport-owned ground-support equipment to new low emission technologies. In addition, our noise initiatives include using some of the AIP noise set-aside for research aimed at reducing community exposure to aircraft noise or emissions. We also hope to increase prospective homebuyers awareness of areas near airports that are exposed to aircraft noise by requiring federal lenders to inform prospective homebuyers of properties within airport noise contours. The aviation insurance program authority in chapter 443 of title 49 is scheduled to expire at the end of 2003. In the past, reauthorizations of the program were enacted periodically and, if the program lapsed between authorizations, the lapses were brief and without incident. In the current climate, however, a lapse in the defense and foreign commerce related program could have extreme consequences. To avoid that future possibility, Flight - 100 would repeal the periodic renewal requirement of that portion of the program, thereby making it permanent. The provisions that enable DOT...
