Global English: English Is Changing the World - In What Way Is the World Changing the English Language and the Way It Will Be Taught?

By Marc Hempel

GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.4in. x 5.5in. x 0.2in. Seminar paper from the year 2009 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1, 0, RWTH Aachen University (Institut für Anglistik, Amerikanistik und Romanistik), course: Hauptseminar Sociolinguistics, language: English, abstract: The history and wide distribution of the English language - originally an Anglo-Frisian dialect first taken to Southern Britain by Germanic settlers in the 5th century and spoken by only a few - has been a most remarkable and unparalleled one. Nowadays, English is the world language, influencing each and every single aspect of the daily and professional lives of millions of people on an international scale. The metaphor of the Global Village often represents the ubiquitous process of globalisation - a phenomenon that has shaped the existence of mankind in the last couple of decades. Communication in all areas is ensured mostly through the use of the English language. It is remarkable, though, that English is only in the fourth place in terms of native speaker ranking and that its proportion is decreasing steadily. Yet what makes English so important is its use as a lingua franca - an international language that...
