

Holder and Fastie Alphabet Chart

By N. Fetzer

Pearson Education (US), United States, 2002. Paperback. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book. The unique Holder Fastie Alphabet card set is a companion to the Alphabet Learning Center Activities Kit book. It enables young children to hear and feel the letter sounds, and modeled reading and writing strategies using it helps children identify and spell words with ease. The Alphabet provides auditory, visual and tactile-kinesthetic cues that focus children on how and where the sounds are produced and felt -- holders like letters a, f, and l are extended when uttered and fasties like letters c, g, and t are stop sounds that cannot be held. The cards are sold only in 25-card packs, not individually. A black-and-white Holder Fastie Alphabet sheet and a Spanish version of the Holder Fastie Alphabet are printed in the book.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
