The number of obese people is increasing quickly, many nutritionist and dietitian blame fast food for it as people eat more from fast food restaurants. Obesity itself is the major cause for many diseases such as heart problems, blood pressure issues, cholesterol problems etc. The choice is with the people whether they want to live a healthy life or just go along the way they are living. People who want to change their eating habits can still do it. All they need is the will power and a good diet plan.
