An Earth-like planet, affectionately named Phantasmagoria, has completed its triumphant voyage across inter-stellar space and nestled itself amongst our own neighboring planets. Driven by a desire to change the story of mankind and conquer new frontiers, a group of scientists and engineers embark on a spectacular journey to this new world to explore it and lay the foundations for a colony. What will these men of science do when Earth-based governments attempt to rule the new planet with tyranny and fear? Will they lay low in surrender? Or will they give the ultimate sacrifice to procure freedom and liberty for their future generations?.
