

From Suffering to Redemption

By Bob Wisdom

Tate Publishing. Paperback. Book Condition: New. Paperback. 60 pages. Dimensions: 6.8in. x 4.8in. x 0.2in. From Suffering to Redemption is the true story of a seemingly hopeless young man who turns his life around and becomes self-sufficient and reliable through persistent hard work. Mr. Wisdom draws a thread between morality and health; or, more specifically, he indicates that a moral environment will heal. It is also the story of an apparently miraculous healing. The author offers hope to individuals who have to struggle in their youth with major mental health issues and who want to better themselves. He discusses how his suffering leads to redemption rather than to misfortune. Unwilling to accept the medical evaluations of his first doctors, who assumed he would be very limited all his life, he successfully, through years of persistent effort, reaches independence, achievement, and, most of all, spiritual fulfillment.
