Brand New Book ***** Print on Demand *****.Excerpt from Transactions Royal Society of Literature of the United Kingdom, Vol. 26 But, except for more or less vague allusions in the epics and chronicles of the Middle Ages, the recidivist criminal has to wait for nearly 1500 years before making his second and, as we shall see, in effective bow. How can we explain this neglect, the knowledge of which must have been keener torture to the shade of the vainglorious tyrant than any of the other pangs in his Hellenic Hades? v as it because the blackness of his portrait as originally drawn gave no clue to the possible existence of such conflicting features in him as were considered requisite by the canons of the classic drama? How ever that may be, it was not until we reach the marked fondness of the Elizabethan poets for the raw and bloody side of life a trait in which we must admit that they have no cause to be jealous of the somewhat anaemic, however scrupulous, realism of the present day - it was not till those spacious days that Nero was once more called before, or rather behind, the curtain. For on this occasion also he failed to get so far as the footlights. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
