## OMG!: HOW CHILDREN SEE GOD

HEALTH COMMUNICATIONS, United States, 2015. Paperback. Book Condition: New. 191 x 140 mm. Language: English . Brand New Book. OMG! is a magical window into how children view God. Its humor is timeless and satisfying and rich with insight. It s a book that speaks to people no matter who they are or where they live especially given the state of our troubled world. It will make them think, re-evaluate, and without a doubt, smile. Parents know that kids ask amazing and often difficult questions about God, faith, heaven, and that other place; sometimes their thoughts are warm and sweet but other times they can be razor sharp and invective. But the outrageous and engaging concepts shared in OMG! are more than a way to deal humorously with children when they express their particular unorthodox views, they can open a difficult dialogue for families about the fanciful thoughts and misconceptions that kids have about God and his or her meaning in our lives. OMG! showcases the differences and yet the similarities that kids of every economic, cultural and religious background share. Funny, poignant and galvanizing with deeply rooted sentiments that will never go out of fashion.
