This long-time best-seller uses a thematic, rather than country-by-country, approach to the region in an analysis that is at once comprehensive and, at the same time, does not underestimate the intelligence of the college audience. The authors wrote this book because...

## Reviews

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
