NEW EUROPE'S OLD REGIONS

Institute of Economic Affairs. Paperback. Book Condition: new. BRAND NEW, New Europe's Old Regions, Piotr Zientara, The recent accession of the former communist countries of Central and Eastern Europe to the European Union significantly changed many of its social and economic characteristics. For example, a situation was created where income differences between regions in the EU are on a par with those between Britain and some African countries. Regional differences in productivity and employment levels within the EU are even...
