\*\*\*\*\*. Sometimes the most effective way to talk about a good idea is to write a story. This book tells the story of Ed Rice, a semi-retired senior town planner who spent 50 years planning the suburban developments of the town of Blandville, the place that could be anywhere. When the judge takes away his drivers license, he discovered what an absolute mess he and his peers created in approving what his critics called suburban sprawl. Unable to get around without a car, he sells his split-level rancher in Blandville Heights, and arranges for a driver to take him to a retirement home four hours away. He has no choice as he resigns himself to an empty future where he will have little to do other than keep himself comfortably busy while he waits for death to take him. As his driver transports him one last time along the wide boulevards of Blandville, Ed explains to his driver the hollowness of what he helped build since the 1950s a place built not to serve its citizens,...
