Atlantic Books. Paperback. Book Condition: new. BRAND NEW, The Home Stretch: From Prison to Parole, Erwin James, Nineteen years ago, Erwin James was sentenced to life imprisonment. Over the past five years, he has written powerfully about prison life for the Guardian. The Home Stretch picks up where the enormously popular A Life Inside left off. Like A Life Inside, it does not glorify wrongdoing, nor does it seek to justify the crimes of its author or any other prisoners. However, with one eye to the outside world The Home Stretch sets out to answer some of the questions raised by his first collection of articles. James considers the nature of freedom, and what exactly his life will look like when he is eventually released. He also talks candidly - and with great wit - about the unexpected way the world has changed during his imprisonment. The Home Stretch asks how someone who has been imprisoned for so long deals with a life beyond the prison gates.
