

## Cybercrime and the Police

By Wouter Stol, Jurjen Jansen

Eleven International Publishing. Paperback. Book Condition: new. BRAND NEW, Cybercrime and the Police, Wouter Stol, Jurjen Jansen, This publication has been prepared on the occasion of the sixtieth (60th) anniversary of IPA Section the Netherlands, the Dutch branch of the International Police Association. It focuses on a range of studies centrally related to crime in a digitized society. The volume concentrates on policing and fighting crimes in a digital era. It provides several options and recommendations for implementing strategies that will allow the Dutch police to adapt to the quick changes in this field. The book provides an overall view of outcomes of recent cybercrime studies in the Netherlands and their implications for (inter)national police organisations. It is aimed primarily at the members of the IPA, but may also provide useful information for Police Academy students and police personnel who are involved in tackling cybercrime. There is an increase of digital (ICT) components in traditional crimes. Hacking is now one of the top crimes in the Netherlands. The studies in this volume suggest that it is wise to enhance public private partnership, expand international collaboration and invest in police education. It is important to note that the digitization is never complete....
