Until he heard those four simple words, Devereaux thought he d left his days in R Section behind. He was no longer The November Man, an American field officer in the vice-grip of duty and danger--and the most brilliant agent R Section had ever produced. When he receives the cryptic message from Hanley, his former handler, Devereaux has no idea he s about to be reactivated into a mission to save both his life and R Section itself. He s not aware that a beautiful KGB agent has been ordered to stalk and kill him--or that Hanley is now in a government-subsidized asylum for people with too many secrets. And he doesn t know that zero hour ticks closer for an operation to catch a master spy . . . with Devereaux the designated pawn. What The November Man doesn t know can kill him.
