KENNEDY S REVENGE: THE ELECTION OF 2016

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Kennedy s Revenge: The Election of 2016 is the story of an ex-Wall Street executive, Fitzgerald Cavendish, who discovers that he is the illegitimate son of one of the most popular figures of the 20th Century. As part of this revelation, Cavendish comes upon a cryptic note sent to his mother from his father shortly before his death. While researching his heretofore unknown father and the circumstances regarding his death, he discovers how the United States evolved into a welfare state that is nearly \$20 trillion in debt with a healthcare crisis, illegal immigration problem, and a never ending war against terrorism. With the help of his brilliant girlfriend, Annie Van, Cavendish solves the puzzle left behind by his father, inspiring him to seek the presidency through a carefully crafted media campaign that takes advantage of his new found celebrity and America s obsession with it. Kennedy s Revenge reorients the American perspective of its own history, turning the entire paradigm on its head. This dark journey through the past endeavors to answer why Lincoln was really killed; and who truly started World War II and why? Kennedy s Revenge not only answers these questions, but also many, many more. Armed with this knowledge, Cavendish offers solutions that will actually eliminate the debt, healthcare, and immigration problems plaguing the United States -- not the ineffectual ideas discussed by the current crop of controlled candidates. By shedding light on how the whole political process is rigged to create the illusion of choice, when in actuality it offers none, Cavendish makes enemies in very high places.
