

## Creativity and Academic Activism: Instituting Cultural Studies

By Meaghan Morris, Mette Hjort

Duke University Press. Hardback. Book Condition: new. BRAND NEW, Creativity and Academic Activism: Instituting Cultural Studies, Meaghan Morris, Mette Hjort, This work explores in detail how innovative academic activism can transform our everyday workplaces in contexts of considerable adversity. Personal essays by prominent scholars provide critical reflections on their institution-building triumphs and setbacks across a range of cultural institutions. Often adopting narrative approaches, the contributors examine how effective programs and activities are built in varying local and national contexts within a common global regime of university management policy. Here they share experiences based on developing new undergraduate degrees, setting up research centres and postgraduate schools, editing field-shaping book series and journals, establishing international artist-in-residence programs, and founding social activist networks. This book also investigates the impact of managerialism, marketization, and globalization on university cultures, asking what critical cultural scholarship can do in such increasingly adversarial conditions. Experiments in Asian universities are emphasized as exemplary of what can or could be achieved in other contexts of globalized university policy. Contributors Tony Bennett, Stephen Ching-Kiu Chan, Kuan-Hsing Chen, Douglas Crimp, Dai Jinhua, John Nguyet Erni, Mette Hjort, Josephine Ho, Koichi Iwabuchi, Meaghan Morris, Tejaswini Niranjana, Wang Xiaoming, Audrey Yue Meaghan Morris is...

### Reviews

*A brand new e-book with a brand new standpoint. it was actually writtern extremely properly and valuable. I am just quickly can get a pleasure of looking at a published ebook.*

-- Prof. Garrett Schmitt

*Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.*
