

Accessible Mathematics: 10 Instructional Shifts That Raise Student Achievement

By Steven Leinwand

Heinemann Educational Books. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.1in. x 7.3in. x 0.4in. Raising students math achievement doesn't mean ripping up your planning book and starting over. In *Accessible Mathematics* Steven Leinwand (author of *Sensible Mathematics*) shows how small shifts in the good teaching you already do can make a big difference in student learning. Steve focuses on the crucial issue of classroom instruction. He scours the research and visits highly effective classrooms for practical examples of small adjustments to your teaching that lead to deeper student learning in math. Some of his 10 classroom-tested teaching shifts may surprise you and others will validate your thinking. But all of them will improve your students' performance. Thoroughly practical and ever-aware of the limits of teachers' time, Steve gives you everything you need to put his commonsense ideas to use immediately. His extensive planning advice will help you streamline your teaching to get more from everything you do. Classroom examples from every grade level model teaching language and instructional moves. And his suggestions for professional learning help increase your effectiveness through the power of collaboration. Steven Leinwand shares your priority: raising the mathematical understanding and achievement of every one of...
