Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Vintage, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: "Maggie Shipstead is an outrageously gifted writer, and her assured first novel, *Seating Arrangements*, is by turns hilarious and deeply moving." -Richard Russo, author of *That Old Cape Magic* "*Seating Arrangements* is bursting with perfectly observed characters and unforgettable scenes. This gorgeous, wise, funny, sprawling novel about family, fidelity, and social class, is the best book I've read in ages." -Courtney Sullivan, author of *Maine* "A pitch-perfect debut from a master storyteller, *Seating Arrangements* is a rich and deep work: a smart, consuming novel that manages also to be delightfully funny. A romp of a book, with whales and weddings and wealth, it is, at its heart, a warning against the empty seductions of status and exclusivity." -Justin Torres, author of *We the Animals* "Smart and frothy Beneath the surface of this summery romp lie animosities, well-paced sexual suspense and a clash between appearances and authenticity waltzlike." - *New York Times Book Review* "A sophisticated summer romp. Shipstead's weave of wit and observation continually delights. I wouldn't be surprised if someday she trades her Lilly Pulitzer for something from Joseph Pulitzer." - *Washington Post* "Whipsmart and engaging, the best kind of smart beach read." - *O Magazine* "Dead-on delightful champagne-fueled, saltwater-scented comedy of upper-crust New England manners and mores." - *National Geographic Traveler* "Irresistible [and] joyously good." - *Daily Mail (UK)* "Elegant, delightful Shipstead's sentences simmer and crackle on the page." - *San Francisco Chronicle* "This is one of those rare debut novels that neither forsakes plot for language nor language for plot. It is gratifying on every scale. The novel is teeming with the sort of casual philosophizing that encourages passage-underlining and earnest recommendation." - *The Boston Globe* "Funny and dark and poignant-sometimes all at once. Shipstead..."
