Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe. (Derick Brekke)

GET A CLUE

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, Get a Clue, Jill Shalvis, And You Think You've Had A Bad Day City girl Breanne Mooreland gets left at the altar, takes the flight from hell to her honeymoon--alone--loses her luggage, and ends up snowed in at a Sierra mountains lodge run by the kookiest staff this side of the Addams Family. Oh, and there's a gorgeous naked man taking a shower in her suite who says he isn't going anywhere. That's just the first 24 hours. . . Burned-out vice cop Cooper Scott is in serious need of this vacation, and he's not about to give up the only available room because an upset--okay, make that insane--woman is having a conniption fit. They'll just have to make the best of it--her side of the bed versus his. But when Cooper wakes up kissing the long, leggy Breanne, he wants to show her exactly what the honeymoon suite is intended for. But that will have to wait, because a screaming Breanne has just stumbled on a very dead body. So much for vacation. . .
