Methods in biology, each section has been further divided into two parts with 200 short tricky questions and 100 applied conceptual questions. The idea of the book entitled Objective Life Science: MCQs for Life Science Examination was born because of the lack of any comprehensive book covering all the aspects of various entry level life science competitive examinations in particular conducted by CSIR, DBT, ICAR, ICMR, ASRB, IARI, state and National Eligibility Test, but not limited to. Additional previous years solved question papers of the CSIR-UGC NET are also included to get acquainted with India's most competitive entry level exam. The ultimate purpose of this book is to equip the reader with brainstorming challenges and solutions for life science and applied aspect examinations. It contains predigested information on all the academic subjects of life science for good understanding, assimilation, self-evaluation,...

Reviews

This composed book is great. It is actually loaded with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Lucious McDermott**

The publication is fantastic and great. It can be really exciting through the reading period of time. I am just very happy to inform you that this is the greatest publication I actually have read in my very own daily life and could be the very best ebook for at any time.
