H57 2006c OCLC Number: (OCoLC)184844601 Subject: Epidemics -- United States -- Prevention. Excerpt: . . . I would like to welcome our witnesses today, and I look forward to hearing their testimony. I am very pleased that the committee is holding a hearing on the important issue of pandemic flu preparedness and response. The witness before us today represents the key Federal agencies that will be involved in responding to a pandemic flu outbreak. In a full-scale pandemic situation, Federal, State, local and private entities will all need to cooperate effectively for a response to be successful. The thousands of State and local health departments are working hard to plan for pandemic flu, but they are struggling with a lack of money and guidance from the Federal Government. In the Presidents National Strategy for Pandemic Influenza, the bulk of Federal funding is for vaccine and drug research. The President requested only 100 million for State and local preparedness. While Congress appropriated 350 million in the emergency appropriations this past December, it pales in comparison to the 6 billion that the President requested...
