Beach Lane Books, United States, 2016. Paperback. Book Condition: New. Reprint ed.. 193 x 130 mm. Language: English . Brand New Book. When your school s motto is Life is dangerous, you know that anything can happen and everything does! This raucous tale of education gone awry is rollicking, ridiculous, and captivating, according a Bulletin starred review. There s no school that s quite like Ribblestrop, complete with roofless dormitories, distracted teachers, and a perilous underground labyrinth. And then there are the students! You ll meet Sanchez, a Colombian gangster s son hiding from kidnappers; Millie, an outcast arsonist and self-confessed wild child; Caspar, the landlady s spoiled grandson; the helpful but hapless Sam and his best friend Ruskin, plus a handful of orphans from overseas who are just happy to have beds even if they are located in the roofless part of the building. With the crazy-school appeal of Hogwarts and the grim humor of Lemony Snicket (The Independent), Ribblestrop, which was awarded the Children s Fiction Prize by The Guardian, is sure to delight the most mischievous among us.
