

Little Boy

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Pearson Publishing Co, United States, 2008. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Little Boy is the first book in the series Saga of a Comanche Warrior. In this series, Max Oliver has accomplished what few authors can, and that is the ability to immerse the reader within a culture that is completely foreign and allow the reader to feel at home. This series tells the story of a young Comanche who, being the smaller and weaker twin at birth, is able to use both his physical and mental acumen to achieve greatness. His adventures take him throughout 1800 s Comancheria and into the Apache and Mexican lands as well. His few encounters with Europeans are rarely pleasant for either party. Oliver demonstrates that living off the land is both dangerous and exciting and takes great wisdom to be successful. Max Oliver was raised in Comanche Country. His grandmother was of the Comanche Tribe. He grew up in Texas, Oklahoma and Kansas, reading and learning from the Native Americans living in those areas. Max says that there is always an inner part of him that loves the ways of the People. He is an avid reader of any work about the Native Americans. His writing is influenced by many conversations with, books about, and first-hand accounts of the ways of living and warring among those who lived on the land before they were forced onto reservations by the European newcomers.
